Dear Mr. Gleason:

Congratulations on the excellent academic record you have achieved at Arizona State University. It is my pleasure to inform you that you have been included on the Dean's Honor Roll for the 1974 Spring Semester. Your cumulative grade point index has qualified you to be placed among those students designated as receiving High Honors.

The faculty and administration of the College of Business Administration join me in commending your efforts and dedication which have resulted in your being a part of this distinguished group of students.

I sincerely hope you will maintain this superior level of academic performance and will qualify for membership in Beta Gamma Sigma, the national honorary fraternity for distinguished business students. Membership in Beta Gamma Sigma is the highest recognition of academic excellence that can be achieved by a student in the College of Business Administration.

Sincerely,

Glenn D. Overman
Dean
